SILENT AIR COMPRESSOR 72 LITRE OIL FREE 1500 W

NEW !

A-ACOM72L
£455.95
INC VAT

ASTA A-ACOM72L is portable silent air compressor with 72 litre tank operated by an oil-free twin-piston pump.

- Built-in fans
- Rubber shock-absorbing cushions under the pump to reduce vibrations
- The solenoid safety valve allows the compressor pump to run smoothly without unnecessary stress from high pressure
- The LED diode signals the correct operation
- 5m power cord with UK plug
- Dual coupler socket, pressure regulator and air dehydrator are included as standard
- Made of high-quality heat-resistant plastic and corrosion-resistant boiler steel (2mm thick). Powder coated to ensure high chemical, anti-corrosion and mechanical resistance.
- Made in Poland in accordance with the latest technology

Specification:

Max pressure - 8.5 bar
Engine - 1.5 kW (2 HP)
Efficiency - 240 l/min-280 l/min, (14.4 -16,80 m³/h), (0.24 - 0,28 m³/min)
Power supply - 230 V 50 Hz
Number of cylinders - 2
Noise level - 70 dB
Tank capacity - 72 litre
Weight - 40,6 kg

BRUSHLESS CORDLESS ANGLE GRINDER

- High-performance intelligent controller that provides 10x longer motor life and 2x run time.
- Convenient left and right auxiliary side-handles
- Ergonomic handle design.
- 2 seconds quick stop wheel.
- Safety switch prevents from improper use of tools.
- Soft start and brake design to reduce the vibrations & inertial motion of tool.
- Removable dust screen prevents dust from cooling system and increases motor life.
- Quick release cover design for quick adjustment of protection angle.

- The robust housing and the high-quality plastic handle ensure optimal protection of the components inside.
- The strength of the torque decoupling mechanism, combined with the high quality of the compression spring built into the device, ensures that the subsequent tightening operations remain highly precise over a long period.
- The guaranteed accuracy of the tool is $\pm 3\%$ (according to ISO 6789). Thanks to the disconnecting system, reaching the set torque value is immediately felt as well as audible in the form of a characteristic "click".
